INFORMATION DISCLOSURE STATEMENT

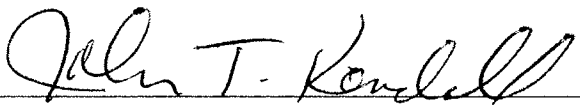

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request. This is the second of two separate information disclosure statements which are being filed today. The reason for the separate filings is due to the limited number of attachments per filing.

This statement is being filed after a first Office action on the merits, but before receipt of a final Office action or a Notice of Allowance. The fee for \$180 in payment of the late submission fee of §1.17(p) has already been paid earlier today with the Electronic Filing System (EFS). Please apply any other charges or credits to Deposit Account No. 06-1050, referencing Attorney Docket No. 06275-514US1.

Respectfully submitted,
